Board of County Commissioners
Re: HVAC Replacement for Fairgrounds Office

February 15, 2023

Dear BOCC,

The Fairgrounds JCB Telehandler has a leaking hydraulic pump and brake master cylinder that needs replacing. Pape equipment has provided a quote of \$7100.00 parts and labor.

With the Boards permission, The Fairgrounds would like the repair done by Pape Equipment. Funding from the Fairgrounds Equipment budget line 6400.

I appreciate your consideration in this matter.

Respectfully,
